

SHOOTING DEMONSTRATION

NON-LEAD

AMMUNITION

June 11, 2022

10 a.m. – 2 p.m.

at Park County Rod & Gun Club

Come join us for a shooting demonstration where we will be testing the performance of lead and non-lead hunting bullets. We will shoot ballistics gels with both bullet types and compare expansion, wound channel characteristics, penetration and fragmentation.

Attendees will be given a \$20 voucher toward the purchase of 1 box of non-lead ammunition valid at participating stores in Montana. For more information, please visit montanahuntersforeagleconservation.org
